By Carlo Furlan © 2007

**BREAKDOWN: G IC - G IG - DIG I**

## Verse 1:

G Em  
Step aside you princes and presidents, you dissidents and militants,  
F Ebmaj7 C/D  
the residence of opulence, make way for procession of innocence  
G Em F  
anyone who'd hinder, best reconsider,  
jump in the deep blue sea with a millstone on your back  
rather than cause one of these little ones to stumble

**BREAKDOWN: G IC - G IG - DIG I**

Listen up brutes & new recruits with callous hearts & steel toed boots,  
angry folks lobbing widow makers, the safety raiders & space invaders  
Before you squeeze the trigger, won't you please consider the children, children,

## CHORUS:

C G  
They're priceless, South Africans, the baby boys of Mexicans  
C D7 Em D7/F#  
Priceless, every one, so let the little children come

## Verse 2:

G Em  
Yo padres & mamas, step-daddies steppin' into the dramas  
F Ebmaj7 C/D  
That toddler suited in feety pajamas  
G  
Is worth more than a week in the Bahamas  
Em  
This Huff & puff & blow the house down,  
F  
Get out of town man! Late nights, too many drinks,  
G  
it's all gotta go down the kitchen sink, It's not about what you think

**BREAKDOWN: G IC - G IG - DIG I**

G Em  
That stuff the hurt, the cursing, flirting with other folks spouses  
F Ebmaj7 C/D  
Tv's on too long in too many houses  
G Em  
Working all hours for prestige & power,  
F  
Missing your sweet little girl's daisy chain flowers

**CHORUS:**

C G  
They're priceless, through & through, the little gem in front of you  
C D7 Em D7/F#  
Priceless, every one, so let the little children come

**BRIDGE:**

I G I C/G F C I Eb Bb G I G I  
Make a way, prepare the way  
One family, our family, in harmony, what could be?  
Let them come, children come

**Verse 3:**

G Em  
He's cooking up some fabulous festivities ,  
F Ebmaj7 C/D  
Throwing a party, not counting the cost, came to seek and save the lost  
G Em  
99 sheep safe on the hill,  
F  
he's crazy enough 'bout that one wandering deviator to be killed

**CHORUS:**

C G  
Priceless, Italians, the dancing girls of Indians  
C G  
Cuz they're priceless, Arabians, Canadians, Australians,  
C G  
Priceless, the native sons and immigrant Americans  
C G  
Priceless, through & through, the neighbor kid next store to you
